

Patienten bearbeiten

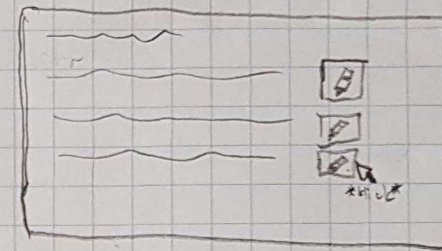

A hand-drawn sketch of a login screen. It features the word "Login" at the top. Below it are two input fields: the first is labeled "ID:" and the second is labeled "PW:". Both fields are represented by rectangles with horizontal lines inside.

In das System
einloggen

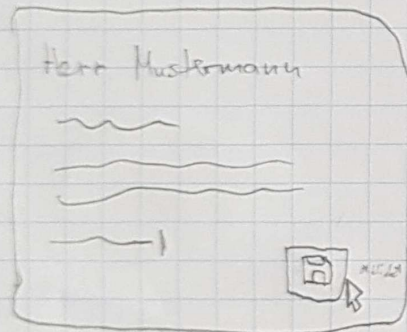

A hand-drawn sketch of a search screen. It shows a single horizontal input field with a wavy line inside, followed by a small square button containing the letter "Q".

Nach Patienten
Suchen

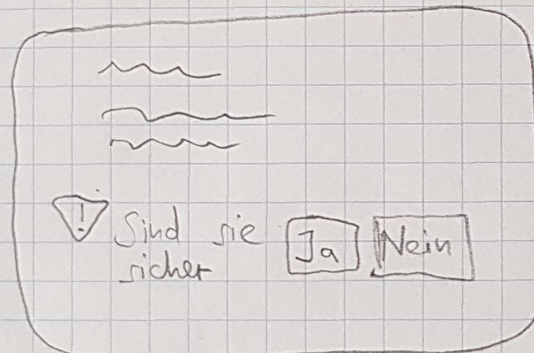

A hand-drawn sketch of a patient list screen. It displays three horizontal lines representing list items. To the right of these lines are three small square buttons, each containing a pencil icon. An arrow points to the bottom button, with the word "Klicken" written next to it.

Auf Patient
Bearbeiten klicken

A hand-drawn sketch of a patient edit screen. It shows the text "Herr Mustermann" at the top, followed by three horizontal lines for input. At the bottom right is a small square button with a floppy disk icon and the word "Speichern" written next to it.

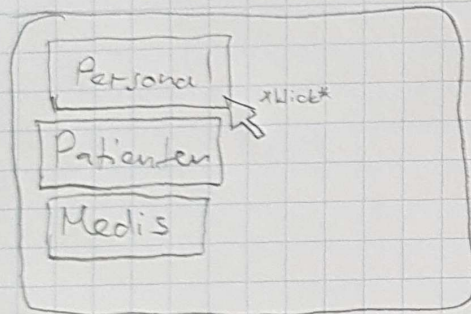

Angaben
Bearbeiten
und abspeichern

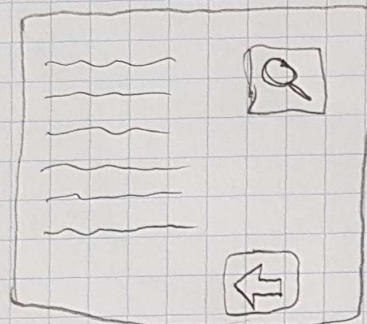

A hand-drawn sketch of a confirmation screen. It features three horizontal lines at the top. Below them is a warning icon (a triangle with an exclamation mark) followed by the text "Sind sie sicher". To the right of this text are two square buttons labeled "Ja" and "Nein".
