

# Storyboard - Patient erfassen

1. Login

A hand-drawn sketch of a login screen. It has a title bar with 'Login' on the left. Below the title bar, there are two input fields: 'user' and 'Password'. The 'Password' field has a small rectangle next to it containing four asterisks '\*\*\*\*'.

2. Menüpunkt Patienten auswählen

A hand-drawn sketch of a menu screen. It has a title bar with 'Home' on the left and 'Patienten' on the right. Below the title bar, there is a large rectangular area with an arrow pointing to it from the left.

3. Patienten anzeigen

A hand-drawn sketch of a screen showing a list of patients. It has a title bar with 'Home' on the left and 'Patienten' on the right. Below the title bar, there is a table with 5 columns and 3 rows. The first row contains the numbers 1, 2, 3, 4, 5. Below the table, there is a large rectangular area.

4. Patient erfassen

A hand-drawn sketch of a form screen. It has a title bar with 'Home' on the left and 'Patienten' on the right. Below the title bar, there is a large rectangular area with a grid of lines. At the bottom left, there is a button labeled 'Patient hinzufügen' with an arrow pointing to it.

5. Formular ausfüllen

A hand-drawn sketch of a form screen. It has a title bar with 'Home' on the left and 'Patienten' on the right. Below the title bar, there are three input fields labeled 'Vorname', 'Nachname', and 'Alter'. Each input field has a small rectangular button next to it.

6. Patient speichern

A hand-drawn sketch of a form screen. It has a title bar with 'Home' on the left and 'Patient' on the right. Below the title bar, there is a large rectangular area with a grid of lines. At the bottom left, there is a button labeled 'Speichern' with an arrow pointing to it. At the bottom right, there is a button labeled 'Abbrechen'.

# Storyboard - Standort suchen

1. Login

A sketch of a login screen. It has a header bar with 'Login' on the left. Below the header, there are two input fields: 'User' and 'Passwort/\*\*\*\*'. The 'Passwort' field has a small eye icon to its right, indicating a password toggle.

2. Zu den Standorte wechseln

A sketch of a screen with a header bar containing 'Home | Standorte'. Below the header is a large, empty rectangular area with a large blue arrow pointing downwards towards the center of the screen.

3. Suchkriterien eingeben

A sketch of a screen with a header bar containing 'Home | Standort'. Below the header, there are two input fields: 'Ort' and 'Behandlung'. Each input field has a small square icon to its right, likely representing a dropdown menu or a search button.

4. Standorte suchen

A sketch of a screen with a header bar containing 'Home | Standorte'. Below the header, there is a table with the following data:

Behandlung	Suchen

Below the table is a blue arrow pointing to the right, indicating a search action.

5. Standorte anzeigen

A sketch of a screen with a header bar containing 'Home | Standorte'. Below the header is a table with the following data:

1	2	3	4	5

6. Standort auswählen

A sketch of a screen with a header bar containing 'Home | Standort'. Below the header is a table with the following data:

1	2	3	4	5

A blue arrow points to the right, indicating a selection action.

# Storyboard - Termin erfassen

1. Login

A sketch of a login screen. It has a header bar with 'Login' on the left. Below the header, there are three input fields: 'User', 'Password', and a small box containing three asterisks '\*\*\*'. The 'Password' field is highlighted with a blue box.

2. Kalender auswählen

A sketch of a screen for selecting a calendar. It has a header bar with 'Home' and 'Kalender'. Below the header, there is a large empty rectangular area for displaying a list of calendars. A blue arrow points to the 'Kalender' tab in the header.

3. Termine anzeigen

A sketch of a screen for displaying a calendar. It has a header bar with 'Home' and 'Kalender'. Below the header, there is a grid representing a calendar. The grid has 7 columns and 4 rows. The last two columns of the grid are highlighted with a blue background.

4. Freier Tag auswählen

A sketch of a screen for displaying a calendar, similar to the previous one. It has a header bar with 'Home' and 'Kalender'. Below the header, there is a grid representing a calendar. The grid has 7 columns and 4 rows. A blue arrow points to one of the cells in the grid, indicating a selection.

5. Termin erfassen

A sketch of a screen for creating a new event. It has a header bar with 'Home' and 'Kalender'. Below the header, there are three input fields: 'Zeit', 'Ort', and 'Datum'. Each field has a small rectangular box next to it for input. The 'Zeit' field is highlighted with a blue box.

6. Termin speichern

A sketch of a screen for creating a new event, similar to the previous one. It has a header bar with 'Home' and 'Kalender'. Below the header, there are three input fields: 'Datum', 'Speichern', and 'Abbrechen'. Each field has a small rectangular box next to it for input. The 'Speichern' button is highlighted with a blue box.
